A word about our food:

We are proud to say that all of our food is made here fresh, by hand every day. Our specialty salsas are hand made the traditional way. To compliment our special salsas, we go the extra mile and make our own chips, giving you, our valued customer, flavors and quality you won't find anywhere else. Chips are served with our mild salsa. If you'd like to try our hotter salsas, salsa verde (green salsa) or salsa roja (red salsa), ask your server.

Please allow us extra time in preparing your food. We cook your food to order using sirloin steak, chicken breast, and pork sausage (chorizo).

Our family sincerely thanks you for your business.

Enjoy!
